Case No. 3:21MJ140

Filed Under Seal

**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, **Joseph Rossiter**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").

2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the

package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. Based on information received from the Federal Bureau of Investigation (FBI), 6530 Hoover Avenue, Dayton, OH 45417 is an address of suspected activity involving illegal narcotics shipped through the United States Mail. On April 12, 2021, I intercepted a package (hereinafter "the Package") at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail small flat rate box, bearing tracking number 9505506636261098605785, postmarked April 8, 2021, with the following address information:

**Sender:** Jeffrey Blake  
6726 E Villeroy Cir  
Mesa AZ 85215

**Addressee:** Jason Wilcox  
6530 HOOVER AVE.  
Dayton OH 45417-7601

Through training and experience as a Postal Inspector, I know that Southern Arizona is a known drug source location.

4. I performed a check in CLEAR database for the addressee's information on the Package of "Jason Wilcox 6530 HOOVER AVE. Dayton OH 45417-7601." CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no "Jason Wilcox" associated with 6530 Hoover Ave, Dayton, OH 45417.

5. I also performed a check in CLEAR for the sender's information listed on the Package of "Jeffrey Blake 6726 E Villeroy Cir Mesa AZ 85215." According to CLEAR, there is no "Jeffrey Blake" associated 6726 E Villeroy Cir, Mesa, AZ 8515.

6. On April 12, 2021, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine "free air" check of the outside of the Package. I was present during said check. The Package was placed in a controlled area and presented to narcotics-detection canine, "Weston." As set forth in the attached affidavit of Officer Stewart, "Weston" alerted positively for the presence or odor of a narcotic or other controlled substance. "Weston" is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no known association between the sender and return address, (ii) no known association between the addressee and recipient address, and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package in violation of 21 U.S.C. § 841(a)(1) – distribution and possession with intent to distribute a controlled substance, 21 U.S.C. § 846 – conspiracy to distribute/possess with intent to distribute a controlled substance, and 21 U.S.C. § 843(b) – use of a communication facility commit a felony drug offense.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Respectfully submitted,

Joseph L. Rossiter  
Postal Inspector  
United States Postal Inspection Service
